Reason for Application:-----

In assessing the application, the relevant administrator shall consider the following:

- (a) If the player has played for another team in Grading Phase Two or beyond, permission will be granted only in extraordinary circumstances and the administrator must be satisfied that the move must not have impact on the integrity of grading of the other grade.
- (b) Whether the player is a replacement for player or players absent for any reason. The added player should be no stronger than the replaced player.
- (c) The performance of the team to that stage. Teams suffering many severe losses will receive more favourable consideration.
- (d) The possibility of locating the new player in a more appropriate grade.
- (e) Adding a player after round 13 will only be granted in exceptional circumstances.
