

Junior Player Clearance

▶ *Procedure for Junior Player Clearance.*

- Player to complete Section 1 of the clearance in full.
- The clearance form then needs to be given to the players association that they wish to be cleared from. The association has 14 days in which to sign the clearance and return it to the player unless a reason can be given **not to** clear the player.
- There is a minimum seven (7) day processing period on all clearances, once received by the MUVJBL. We recommend you keep a copy of your clearance prior to posting.
- A signed clearance from your original association is acceptable as a permission to train from, however you need this on you at all times.
- **Previous Association must sign the Required or Non Required Player Box.**
A required player is someone who has a spot in a team and is clearing to another association at their own choice.
A Non required player is someone who has been given a clearance as there is no team to play in.
Example (Team Withdrawn, Team Not Entered)
Please note that a maximum number of 2 players from any other association can be selected per team, only under special circumstances this rule will be relaxed if the MUVJBL deems it necessary
- Once the clearance has been processed notification will be listed on the MUVJBL website under clearances heading.
- It is the responsibility of the **new association** to ensure the player has been cleared prior to playing them.

*Please note, the "To Association" is not required to be completed before having it signed by the association you wish to be cleared from. However it **must** be filled in before the form is sent to the MUVJBL.

▶ *Clearance Fees*

- All clearances submitted must have payment attached before the clearance will be processed. All clearances have a \$22.00 Inc GST processing fee.
