INTRODUCTION

Basketball Australia allocates the number of bids each state is entitled to on an annual basis. This allocation is done based upon the results of the previous year's National Club Championship.

The allocation given to Basketball Victoria includes one automatic invitation that Basketball Victoria extend to the winner of the Country Victorian Championship (or similar) for that particular year.

All teams who compete in the Victorian Championship League are eligible to qualify under this selection criteria

PURPOSE

The purpose of this policy is to ensure that a consistent approach is followed every year by the MUVJBL when they nominate the Victorian teams for the Under 14 Club Championships.
