## 1. CHARTER

1.1 Refer to Junior Representative Commission Charter (VJBL).

## 2. COMPETITION ENTRY

### 2.1 CONDITIONS OF ENTRY INTO THE VJBL:

The Championships are open for entry by all Associations, both Metropolitan and Country and nominated by the Victorian Junior Basketball League following a qualifying competition (Grading).

The Victorian Junior Championship League shall have no more than twenty (20) teams entered but the VJBL delegates may nominate less than twenty teams participating for a particular division.

A maximum of Two (2) teams per Association, per age group, per gender may be accepted in the Victorian Junior Championship League.

The VJBL is a home and away competition with the ability for administrators to schedule neutral venues where appropriate. If it is deemed necessary to conduct a game at a neutral venue due to travel then this will occur for both games between the teams involved.

All teams participating in the VJBL shall adhere to the Rules of Operation of the VJBL. All players, coaches, parents, referees and spectators must abide by the Codes of Conduct as distributed by VJBL

Teams nominated by their Associations are graded according to qualifying competitions conducted by the VJBL Administration.

Entry forms will be sent to all affiliated Associations and all pages and requirements must be completed and returned with the appropriate payment by the due date or the entry may not be accepted.

To be eligible for admission into the VJBL competition an Association must have a home court venue which meets the standards required by the JRC Commissioners. Matches must be conducted according to the guidelines laid down by the JRC Commissioners.

Associations participating in the Victorian Junior Championship League must supply two (2) Junior Panel Referees for each three (3) championship teams. Associations not complying with this requirement may have their home games substantially reduced as well as the VJBL Administration imposing fines.

Coach compatibilities will be considered where a coach is responsible for two (2) teams or an older player is coaching a younger team provided this does not compromise the requests of an opposition team or require early long travel. We will not consider compatibilities for two under 12 teams. It is also unlikely that compatibilities can be granted consistently for Under 12 & 14 and Under 14 & 14 and we suggest where possible there be an age group gap between teams. (e.g. 12 & 16)

The VJBL Administration shall ask for finals tenders from Associations wishing to host finals in any of the VJBL Competitions. These tenders will outline all the requirements that associations need to abide by to be eligible to host finals.

All persons attending should be aware that photographs taken at games may be published by Basketball Victoria and VJBL for promotional purposes. (Refer VJBL Video and Photography Rule)

- 2.1.1 New or Re-Applying Associations that didn't participate in the previous season must send their expression of interest to the VJBL Administration by the 31st March prior to the start of the season in which you want to commence. (Refer to New and Re-Applying Association Rule for more information.)

## **2.2 ASSOCIATION CONTACT & DELEGATE**

- 2.2.1 Each Association will nominate one Association Contact. This will be the point of contact for all information for the Association. Associations may at the discretion of the VJBL Administration nominate more than one contact.
- 2.2.2 The Association Contact may be changed at any time using the online registration program and by sending written notification to the VJBL Admin.
- 2.2.3 Each Association will nominate one JRC Delegate. This will be the person that attends the JRC Delegate Meetings & AGM and casts the Vote on behalf of that association.
- 2.2.4 JRC Delegate Meetings

Each year the VJBL will hold 3 (in exceptional circumstances 4) JRC Delegate meetings including the JRC ACM.

Each Association is required to nominate and have a Delegate in attendance at each of these meetings. Failure to have a Delegate attend any one of these meetings during the VJBL Calendar year commencing November 1<sup>st</sup> will incur a fine. (See Appendix D)

If the Nominated Association Delegate is unable to attend a scheduled meeting, the Association must provide the VJBL Administration with the name of the person who will represent that association for the nominated meeting. This must be nominated by the Association Contact Delegate prior to that person being able to exercise a vote.

One (1) person may not represent more than one Association at any one meeting.

## **3. PLAYER, REGISTRATION, ELIGIBILITY & MOVEMENT**

### **3.1 REGISTRATIONS:**

Each new player registration must be entered online by the Association after the verification of the player's birth certificate and/or passport has been sighted by the registering association. This player is limited to a maximum of two (2) games with the higher team. Permission to play more than two (2) games may be sought from the VJBL Administration in exceptional circumstances. (If players are missing due to being on holidays, this will not be accepted as a valid reason)

## APPENDIX F

### NO ZONE RULE

#### 6.8 UNDER 12 AND 14 NO ZONE RULE:

At no stage is a ‘Zone’ defence permitted during an Under 12 or Under 14 VJBL game. This rule is applicable to all VC and VJL Competitions.

Please note that the VJBL has its own specific ‘No Zone Rule’ that is tailored to the VJBL competition and this is the only ‘No Zone Rule’ to be applied in our competition. No other ‘No Zone Rule’ will be applied. For the full procedure see Appendix F Rules of Operation)

### NO ZONE PROCEDURE

#### HOW THE RULE WORKS:

From the commencement of Grading 2016/17 **NO** Under 12 or Under 14 VJBL team is permitted to play a ‘zone’ defence.

- Coaches are not permitted to instruct a team to play zone and they must play ‘Man to Man’ defence using correct ‘Man to Man’ defensive principles.
- If a coach hasn’t instructed their team to play a zone, but their team is playing a zone outside of their instructions, it is the coaches responsibility to ensure their team play ‘Man to Man’ defence. No excuses will be tolerated for failure to do so as the coach has the power to remove offending players from the court if they are not playing correct ‘Man to Man’ defence.

The VJBL Administration will determine violations of the ‘No Zone Rule’ by investigating one or more of the below points.

- One or more players were not in acceptable ‘Man to Man’ defensive position in relation to the player they are guarding and the player with the ball.
- A cutter moved all the way through the key and was not defended using acceptable ‘Man to Man’ defensive techniques.
- Following a trapping or help and recover situation the team made no attempt to re-establish correct ‘Man to Man’ defensive positioning.
- The team zone pressed and did not assume ‘Man to Man’ defensive positioning once the ball had been advanced into the half court

#### WHO CAN MAKE A COMPLAINT OR INFORM THE MUVJBL ABOUT AN ALLEGED ZONE BEING PLAYED:

- The Opposition coach may make a complaint or inform the VJBL Administration through their Nominated ‘No Zone Representative’ if they suspect a team of playing zone, as long as they follow the correct procedure.
- In the best interest of the game, the VJBL Administration may investigate any team suspected of playing zone, by viewing the game on the night, viewing video footage obtained from the game or reviewing the written complaint. Please note however this can be done with or without a complaint being made.

## REPORTING ALLEGED ZONE INCIDENT:

- The VJBL Administration has up to 7 days to request and view the game footage before making a report or acting.
- If the opposition coach believes a zone has been played, the coach is required to follow the below procedure as instructed by the VJBL Administration

### DURING GAME PROTOCOL:

At no stage are the coach, players, spectators or No Zone representative to approach the opposition team, referees or the referee coaches to discuss the alleged incident during the game or after the game. This will avoid any unnecessary conflict between the two teams. **Offenders may be put on report.**

### CORRECT AFTER GAME PROTOCOL:

It is the responsibility of the coach to contact the 'Nominated 'No Zone Representative' (as nominated on the entry form) from their Association to discuss how they believe the opposition team played a zone (provide video evidence if it is available).

If the 'Nominated No Zone Representative' believes the coach is correct and the team played a zone, the 'Nominated No Zone Representative' will be responsible for lodging the complaint with the VJBL Administration. The 'Nominated No Zone Representative' can do this by downloading the 'No Zone Complaint Form' from the VJBL website and return it (with video and written evidence) by close of business the next working day.

Please note the VJBL Administration can investigate any team and request to view footage for up to 7 days following the completion of the game before making a report.

## REVIEW AND APPEAL OF ALLEGED ZONE INCIDENT FOR GRADING, CROSSOVER, NORMAL CHAMPIONSHIP AND LEAD UP FINALS GAMES.

Once the VJBL Admin. has received official notification of an alleged incident the following procedures will take place.

- The VJBL Administration will review any video and written evidence provided and if necessary the Basketball Victoria Operations department will be consulted before a decision is reached.
- Once the review is completed the VJBL Administration. will discuss its preliminary findings with the 'Nominated No Zone Representative' that made the original complaint and the 'Nominated No Zone Representative' from the Association accused of playing a zone.
- The 'Association Nominated No Zone Representative' will then have 24 hours to appeal the decision in writing to the VJBL Admin.
- If required the VJBL Appeals Committee will then review the appeal and make their final ruling.

### TIMES WHEN THE RULE DOESN'T APPLY:

- If a team has 4 players on the court, they may play a zone.
- If a team has only 5 players suited up, they can play a zone in the first half and must play man to man in the second half.
