Reason for Application (please include all information to support the application)

Adding a player after round 11 will only be granted in exceptional circumstances.

If replacing injured players, names and medical certificates need to be attached

---

In assessing the application, the VJBL shall consider the following:

(a) If the player has played for another team in Grading Phase Two or beyond, permission will be granted only in extraordinary circumstances and the administrator must be satisfied that the move must not have impact on the integrity of grading of the other grade.

(b) Whether the player is a replacement for a player or players absent for any reason. The added player should be no stronger than the replaced player.

(c) The performance of the team to that stage.

The VJBL Administration may consult as appropriate and may

Refuse the application

Grant the application for a limited time

Grant the application subject to review and feedback over the subsequent weeks

Grant the application unconditionally
