

## Junior Player Clearance – 2018/19

### **Procedure for Junior Player Clearance.**

- Player to complete Section 1 of the clearance in full, **THEN**, the clearance form needs to be given to the player's association that they wish to be cleared from. **THEN**, the association has 14 days in which to sign the clearance and return it to the player unless a reason can be given **not to** clear the player. **THEN the form may be sent to VJBL for processing**
- We will endeavour to process clearances within seven (7) days, if the player is eligible to participate in the Grading or Championship season.
- A signed clearance from your original association is acceptable as a permission to train form, however you need this on you at all times.
- Previous Association must sign the **Required** or **Non Required** Player Box.  
A '**Required player**' is someone who has a spot in a team and is clearing to another association at their own choice. Or a player who didn't tryout, but is moving to another association at their own choice.  
A '**Non Required player**' is someone who has been given a clearance as there is no team to play in. Example (A player has not made a team at your association, Team Withdrawn or Team Not Entered)  
Please note that a maximum number of 2 players from any other association can be selected per team, only under special circumstances this rule will be relaxed if the VJBL deems it necessary
- Once the clearance has been processed notification will be listed on the VJBL website under clearances heading.
- It is the responsibility of the **new association** to ensure the player has been cleared prior to playing them.

\*Please note, the "To Association" is not required to be completed before having it signed by the association you wish to be cleared from. However it must be filled in before the form is sent to the VJBL.

### **Clearance Fees**

- All clearances submitted must have payment attached before the clearance will be processed. All clearances have a \$22.00 Inc GST processing fee.
