

Heat Timing rules for VJBL games

All stadiums must have a thermometer.

On hot days, court temperature must be taken hourly whilst the stadium is in use and must be recorded in a permanent record kept at the stadium.

If the stadium is in sections, the temperature must be taken in each section.

When the court temperature reaches 30oC the Venue Supervisor must consider implementing and where the court temperature reaches 35oC, must implement the following timing rules:

The referee must call an additional compulsory timeout in each quarter if no timeout has been called by half way through the quarter.

When the court temperature reaches 40o C games must be abandoned.
